IPANA Board of Directors

Happy Nowruz to all who celebrate the Iranian New Year!

IPANA Annual Meeting Recap

Following our annual reception at the 2015 USCAP meeting in Boston, and with the generous support of our prospective members, the decision was made to officially register our organization.

View full summary of the meeting [here](#).

Association Director
Ashley Monson

Education Director
Julie Lederhaus

IPANA Annual Trainee Award Winner

Congratulations to Dr. Shabnam Zarei (Mayo Clinic, Rochester, MN), recipient of IPANA's 4th Annual Trainee Award, for her 2017 USCAP platform presentation titled "Ovarian Serous Carcinomas with Mixed Features of High Grade and Low Grade Serous Carcinoma Display Heterogeneous Genome Wide Copy Number Variation Profiles."

View full award announcement [here](#).

IPANA Membership

Any pathologist dedicated to the advancement of the profession of pathology is eligible to apply for membership in the Association.

Members will receive the monthly IPANA E-newsletter, be able to submit news for the newsletter and will be recognized on the website and at the annual meeting.

Support IPANA today! Sign up for your membership [here](#).

Submit articles to IPANA E-news

Are you interested in submitting a news story?

If you have a news story that you would like to post on the IPANA website, please fill out the submission form. The IPANA administrative office will review your submission and post your story online. You will be contacted by the IPANA office if

there are any questions or if your news story cannot be posted for any reason.

Fill out the form [here](#) to submit your news story.
