RSVP For the IPANA Annual Meeting

IPANA is pleased to be hosting a reception at the 2017 USCAP Annual Meeting, March 5, 2017 at the Marriott Rivercenter in San Antonio, TX.

Since its inception, IPANA has grown from an informal group meeting to a professional society that is officially recognized each year in the USCAP program book [Affiliate Events](#).

At this year's business meeting we will give the membership an update on the progress that has been made in the past year to formally register IPANA as a non-profit professional society and the exciting year we have ahead of us.

We look forward to seeing members in San Antonio. And feel free to bring along any colleagues who would be interested in joining IPANA!
